

RAW's 2024 Better Bunnies Programme

Welcome to Better Bunnies Programme!

Every year Rabbit Awareness Week brings a nation of bunny lovers together to celebrate these fantastic animals. Despite being the UK's third most popular pet, many rabbits are neglected and are given the incorrect diet, unsuitable housing and no companionship. We hope that the Better Bunnies Programme will incentivise bunny owners to step up and make changes so they give their bunnies a better and happier lifestyle.
